

Attention North Carolina residents:
**Plastic Bottles, Wooden
Pallets & Oil Filters**
are banned from landfill disposal
effective Oct. 1, 2009

North Carolina residents are encouraged to do their part to keep **motor oil filters**, **wooden pallets** and **plastic bottles** out of landfills.

The disposal ban recognizes that the recovery of these materials will contribute to the state's environmental and economic development goals. North Carolina is home to many companies that collect, process and recycle the banned materials back into a wide range of products.

Oil filters, pallets and plastic bottles join a list of previously banned materials:

- Aluminum cans
- Antifreeze
- Appliances
- Beverage containers from ABC permitted facilities
- Lead-Acid batteries
- Motor oil
- Oyster shells
- Yard waste
- Scrap tires
